Table of Contents

A dropdown menu button is a button which shows a dropdown menu on click. The button will look like one of these:

Browser	Desktop

To create such button, simply use the following snippet:

```
UIPopupMenuButton button = new UIPopupMenuButton();
button.setImage(UIImage.getImage(IFontAwesome.BARS_SMALL));

UIMenuItem miDelete = new UIMenuItem("Delete",
UIImage.getImage(UIImage.REMOVE_SMALL), this, "doDelete");
UIMenuItem miExport = new UIMenuItem("Export",
UIImage.getImage(UIImage.EXPORT_SMALL), this, "doExport");

UIPopupMenu popupMenu = new UIPopupMenu();
popupMenu.add(miDelete);
popupMenu.add(miExport);

button.setPopupMenu(popupMenu);
```
